# Set of Storage Light

Feel safe as it glows when needed. Electric needless light. Storage light! An ultimate eco-friendly goods. Quite effective to save electricity, at night time and on a power failure. Can be used repeatedly.

## A Luminous & Storage Light - secure at dark night and sudden power failure

Glow brightly and lasts long time!

Exposing it to 200 lx light for 20-40 minutes and it keeps on glowing for 6-8 hours.

(200 lx is bright enough to read books. Also the luminous power will reduce with time.)

No need of charging. It stores light in the light and glows in the dark repeatedly.
